

ACCA Manual D Training

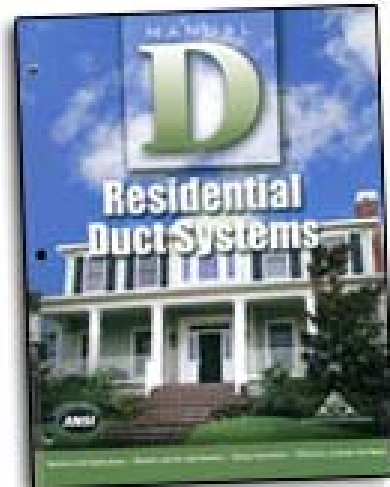

The Eastern Heating & Cooling Council is sponsoring a special training program to help contractors be absolutely sure that they are performing Manual D duct designs properly. Duct systems must be carefully designed and properly installed or the potential benefits that are associated with using high-efficiency equipment will not be achieved.

This special session, developed by the Eastern Heating & Cooling Council in cooperation with the electric utilities and the HVAC industry, will be offered for contractors serving customers in New Jersey and will help you to:

- **Offer better HVAC performance and energy efficiency**
- **Learn proper duct design calculations**
- **Increase customer satisfaction and comfort**
- **Reduce customer complaints and callbacks**
- **Increase your bottom line!**

Class size is limited, so be sure to reserve your seat right away! The registration fee includes:

- **Course workbooks**
- **Practice worksheets**
- **Lunch**
- **Training certification upon successful completion**
- **Participants need to bring a calculator**

**Check our online Training Schedule
for Class Dates & Times!**

**Registration Fee: \$150
EHCC Member Fee: \$100**

To enroll, call toll free 1-800-247-6547, or FAX us at 1-856-608-0923
